

CONGRATULATIONS!

TO THE TRANSVERSE
TIBIA TRANSPORT TEAM
FOR WINNING THE
MOON SHOT AWARD
AT GOVINSIDER'S
**FESTIVAL OF
INNOVATION (FOI)**
2025!

The FOI awards are part of GovInsider's annual flagship event, which celebrates public sector innovation across Asia. This year's awards saw 171 submissions across 107 agencies in 13 award categories.

This is a huge milestone as The Limb Savers @JurongHealth stands as the only healthcare institution recognised at this year's FOI, Singapore's first-ever combined orthopaedic procedure—a groundbreaking technique that treats severe infections and restores foot structure, giving patients a second chance at mobility.

A huge shout-out to our multidisciplinary team, whose dedication and teamwork made this possible!

Ms Ng Sow Chun

Chief Nurse

Adj A/Prof Fareed Kagda
