Translated summary of Mr Chiam's compliment:

In his forum letter, Mr Chiam Tun Ngiap expressed his gratitude to his care team at Ng Teng Fong General Hospital (NTFGH).

On 15 May, after falling seriously ill, Mr Chiam was quickly transported by an ambulance crew to NTFGH, where he received immediate and professional care. Upon his arrival, doctors in the Emergency Department quickly attended to him and began a thorough investigation into the cause of his illness.

Throughout his 17-day hospital stay, Mr Chiam received exceptional treatment and care from a dedicated team consisting of doctors, nurses and allied health professionals. He commended the professionalism and compassion of his care team during his stay in Ward B9 (Sub), Ward B15 (Sub) and the HD/ICU and extended his heartfelt appreciation to the team who have been instrumental in his treatment and recovery.

With special mentions from Mr Chiam to:

- Dr Koo Yih Meng Kenneth, Senior Consultant, Gastroenterology
- Dr Chong Hon Ian, Consultant, General Surgery
- Dr Bong Huey Shin Shirley, Associate Consultant, Gastroenterology

thank you!

To all our colleagues, keep up the incredible work and continue to contribute to patient care with your amazing efforts!
